

AKSHAT SACHAN

Machine Learning Engineer / Software Developer

Phone: +91 9328674769

Address: INDIA

LinkedIn: www.linkedin.com/in/akshat-sachan-1b0308217/

Email: akchan6121@gmail.com

CodeChef- 5 ★

Creative and people-oriented Computer Scientist with extensive project development and management experience. Advanced knowledge of the creation of ML models, Flutter Apps and programming languages relevant to the web.

TECHNICAL SKILLS

- **Languages** : C, C++, Python, HTML, CSS, Dart
- **Libraries** : Pandas, Numpy, Matplotlib, Seaborn, BootStrap
- **Framework** : Flutter, ReactJS, NodeJS
- **Databases** : MongoDB, MySQL, FireStore

EXPERIENCE

Jul 2021 - Aug 2021

TWOWAITS (Tathastu)

Machine Learning Scholar

- Building ML Models and Learning Material
- **Exposure** : Data Representation, EDA , ML Algorithms, Data Cleaning

TATA GROUP

Jun 2021 - Aug 2021

Machine Learning Trainee

- Building and deploying Iris Model, Titanic model, Cancer Detection Model.
- **Exposure** : Pandas, Numpy, Matplotlib, Flask, Seaborn, ML Algorithms

AiViREX INNOVATIONS LLP

Jun 2021 - Jul 2021

Full Stack Developer

- Building a responsive web-app 'Digi-Queue'.
- **Exposure** : MongoDB, JavaScript, NodeJS, ReactJS, ExpressJS

EDUCATION

SRM Institute Of Science & Technology, Chennai

Jun 2019 - Present

Bachelor of Technology (CSE)

CGPA : 9.5

PROJECTS

- Breast Cancer Detection (ML) [Link](#)
- Local-Vocal (MERN) [Link](#)
- Firebase Authentication App (Flutter) [Link](#)
- MP-3 Player (Python) [Link](#)
- Virtual Assistant ROBIE (Python) [Link](#)
- On Air Drawing (Python) [Link](#)
- 3-D Car Graphics (C++) [Link](#)
- Diabetes Checker (C++) [Link](#)
- Invisible Man (Python) [Link](#)
- Notes Provider (C++) [Link](#)
- ML model detecting cancer
- WebApp allows posting image and reviews
- Authentication + Dynamic theming
- Tkinter music player GUI
- Alexa cloned Version.
- Detects the Hand and writes on the screen.
- Car with horn and light effects.
- Tells the level and type of Diabetes user is having.
- Hides the things of RED and BLUE color.
- Login Checker and Notes Provider
